To hear the audio portion of the meeting

After you have joined the online meeting a prompt will appear on your screen asking you to input your phone number. Type in your phone number including area code, click OK and the system will call you. You will then be connected to the audio portion of the meeting. If you do not have a direct line which the system can use to connect you, dial: 1-888-394-8197 and when prompted enter the participant Code: 180649.

Press *6 to mute and unmute your line

Collecting demographic Information

So that we can better track who is participating in our program and to continually improve our offerings we need to collect some information about you. When you have logged into the meeting there will appear a window labeled “Info About You”. Place your cursor in the field in the lower part of this window and on one line please type in your **first and last name, occupation and city and state and hit Enter.**
