Re: Revised Advisory Ruling 9305: Foot Care

At the December 10, 2014 Board of Registration in Nursing (Board) meeting, the Board issued revisions to Advisory Ruling 9305: *Foot Care* to ensure compliance with current statutes, regulations and scope of practice standards.

The Advisory Ruling guides Registered Nurses and Licensed Practical Nurses whose practice incorporates foot care to meet nursing and client goals including, but not limited to, health promotion, client teaching, health risk reduction, and promotion of safety and comfort.

The revisions:

- Are technical in nature; and
- Update references.
